My Life Undecided

Brody, Jessica

PLEASE READ THIS! MY LIFE DEPENDS ON IT! Okay, maybe that was a bit melodramatic, but I'm sorry, I'm feeling a bit melodramatic at the moment. Here's the deal. My name is Brooklyn Pierce, I'm fifteen years old, and I am decisionally challenged. Seriously, I can't remember the last good decision I made. I can remember plenty of crappy ones though. Including that party I threw when my parents were out of town that accidentally burned down a model home. Yeah, not my finest moment. But see, that's why I started a blog. To enlist readers to make my decisions for me. That's right. I gave up. Threw in the towel. I let someone else decide which book I read for English. And whether or not I accepted an invitation to join the debate team from that cute-in-a-dorky-sort-of-way guy who gave me the Heimlich maneuver in the cafeteria.

Squash and a Squeeze, A (20th anniversary edition)*

Donaldson, Julia

Illustrator: Scheffler, Axel

This laugh-out-loud story was the first to be created by the award-winning team of Julia Donaldson and Axel Scheffler, marking the beginning of the most successful picture book partnership ever. Twenty years after it was originally published, this classic tale of a little old lady, a wise old man and a chaotic collection of larder-raiding, curtain-chewing, jig-dancing animals is as fresh and funny as ever. Macmillan is proud to publish this limited edition 20th anniversary edition, complete with early drawings from Axel's sketchbook and a specially written foreword from Julia herself.

Keeping Secrets

Noel, Alyson

We usually tell our best friends everything. Our crushes, our embarrassing stories, our secrets-but sometimes there are truths so deep and dark that we can't tell anyone. Not our parents, not our sisters...not even our best friends. Some secrets are so unspeakable that we keep them safely locked away so no one will ever discover them. But what happens when they become more than you can handle alone? In these two magnificent novels, two girls can't tell anyone about the terrible burdens they carry. But as they're about to learn, it's not our secrets that matter most-but those who still love us once they learn the truth.

A beautifully repackaged two-in-one reissue of 'Saving Zoe' and 'Faking 19'.
