Husband's Secret, The*

Moriarty, Liane

What would you do?

If your partner announced he was in love with your best friend.

What would you do?

If your child was taken from you and you never knew why.

What would you do?

If you discovered your husband had a secret so dark it could destroy your family.

What would you do – for love, for revenge, for your sanity, for your children ...?

Deliverance of Evil, The*

Costantini, Roberto

On 11 July 1982, Elisa Sordi was beautiful. Commissario Michele Balistreri was fearless. Italy was victorious.

A killer was waiting . . .

On 9 July 2006, with Sordi's case twenty-four years cold, and Balistreri haunted by guilt and regret, Italian victory returned.

And so did Sordi's killer . . .

But this time Michele Balistreri would be ready. This time he would fear no evil.

Man Without Breath, A*

Kerr, Philip

It is winter, 1943. Bernie Gunther has left the Criminal Police and is working for the German War Crimes Bureau based in Berlin. Reports have been circulating of a mass grave hidden in a wood near Smolensk. The grave's whereabouts are uncertain until, deep in the Katyn Forest, a wolf digs up some human remains. Rumour has it that the grave is full of Polish officers murdered by the Russians – a war crime that is perfect propaganda for Germany. But supposing the bodies are those of many thousand Jews killed by the SS?

There's a right and a wrong mass grave and it needs a detective of subtle skill to find out which it is. Call Bernie Gunther . . .

This Red Earth*

Kelly, Kim

November 1939, another war in Europe. Bernie Cooper knows Gordon Brock is going to ask her to marry him – any second now. He's a good catch by anyone's standards. And she's going to say no. The harsh realities of this Second World War have other plans for Bernie, though, and when her father is enlisted and the news that Gordon is to be shipped off to New Guinea comes through, begins to see how much Gordon really means to her. But has this realisation come too late for them both? While Gordon braces for the inevitable invasion of New Guinea, Bernie throws herself into the battle being fought on home soil – against the worst drought in living memory, against the menace of an unseen enemy, and against the unspeakable torment of not knowing if those dear to her are alive or dead.

Taking Eve*

Johansen, Iris

Forensic sculptor Eve Duncan's mission is to bring closure to the families whose loved ones have vanished. She knows their anguish - her own beloved daughter, Bonnie, was taken from her when Bonnie was just seven years old. It is only recently that this mystery was resolved and Eve could begin her journey to peace. Now, Jim Doane wants the same kind of answers that Eve always longed for. His twenty-five-year old son is missing, and he has only partial skull fragments as evidence. But he cannot go to the police for answers without risking his own secret agendas, so instead he chooses a bold step to find the truth - a truth that takes Eve down a twisted path of madness and evil. Doane needs Eve Duncan's skill and he'll do anything to get it. Even if it means 'taking Eve'.

All That Is

Salter, James

From his experiences as a naval officer in battles off Okinawa during World War II, Philip Bowman returns to America and finds a position as a book editor. He soon inhabits a world where marriages fail as affairs ignite, alcohol reigns, writers struggle, and publishers hustle. It is a world in which to immerse himself, a world of intimate connections and surprising triumphs. But the deal that Philip cannot seem to close is love: one marriage goes bad; another fails to happen; and, finally, he meets a woman who enralls, then betrays him, setting him on a course he could never have imagined for himself. Written with Salter's signature economy of prose, 'All That Is' fiercely, fluidly explores a life unfolding in a world on the brink of change.

Isle of the Dead

Connor, Alex

In 15th century Venice it is a dangerous time to be alive. A permanent winter has rolled in over the canals and bodies keep washing up on the banks of the city. These bodies are especially hard to identify, since they have been skinned.

In the present day, a famous portrait by Titian has been discovered. Its subject: the 15th century suspected murderer Angelico Vespucci. The skins of Vespucci's victims were never found, so his guilt was never proven. Although it is rumoured that when the portrait arises, so will the man. And when flayed bodies start turning up all over the world, it looks like this is more than just a superstition. A murderer has been called back to life, and he is hungry for revenge.

Advanced technology has created a one-way time portal to Earth's Pliocene Era - six million years ago. Those seeking a better life are drawn to the promise of a simple utopia, far from the civilised Galactic Milieu. But no one could have predicted the dangers on the other side.

For the group will enter the battleground of two warring alien races, exiled from a distant planet. And these races not only have potent mind powers, but seek to exploit and enslave humans for their own needs. The travellers are about to discover that their unspoilt paradise is far from Eden.

Jack the Bodiless

May, Julian

Earth stands on the brink of acceptance into the Galactic Milieu, a benevolent political and telepathic alliance of alien races. But some are wary, as their new supervisors have introduced stringent new laws. Leading humanity is the powerful Remillard family, but a ruthless entity known only as the Fury has its own agenda for the Galactic Milieu. It starts to murder those with metapsychic talents, triggering a chaos that could delay Earth's inclusion.

At this delicate juncture, Teresa, wife of clan leader Paul Remillard, conceives a child who could represent humanity's future. But Jack's birth is illegal under Milieu law and she will need the formidable mental abilities of Uncle Rogi and Jack's older brother Marc to cover her tracks.

Golden Torc, The

May, Julian

A small group journeyed through a time-gate into Europe's prehistoric past. Yet this supposedly unspoilt sanctuary holds two alien races locked in combat. In a world where the human-like Tanu have the upper hand, Elizabeth Orme soon encounters trouble. When they find she possesses rare mind powers, they want her for their own. She won't be used as a pawn in a Tanu versus Firvulag war, but Aiken Drum can't wait to get involved.

Aiken discovers the Tanu's mind-enhancing torcs have given him his own powerful abilities. And it's not long before he devises a plan to challenge the Tanu's leader - for rule of the Many-Coloured Land itself. But another faction seeks the slaughter of all humans, and he stands in their path.

Diamond Mask

May, Julian

Earth is finally part of the Galactic Milieu. But the next step is to achieve Unity with other galactic races. To attain this higher state, we must gather sufficient numbers of the metapsychically talented. However, a rebel group want to keep Earth forever separate. And their covert supporter is Fury, an unstable metapsychic entity with its own ruthless plans for humanity. Fury's greatest threat now is Jack the Bodiless, whose power it craves. But Jack won't be used.

So the entity turns to Dorothea Macdonald, a young woman who's been hiding her great powers from the Milieu's best mind-readers. Yet she can't keep them from Fury - or Jack. She rejects their advances, suspicious of megalomaniacal dreams and galactic politics.

Magnificat

May, Julian

Colonies are thriving, Earth is peaceful, and as more metapsychics are born, the goal of mental Unity with the Milieu seems close. But a rebel group want Earth to remain separate, led by a man obsessed with human superiority. This is Marc Remillard, unknowingly influenced by Fury who is now unveiled and on the run. Marc's goal is nothing less than the elevation of human metapsychics above all others, through artificial enhancement of mental faculties. His methods are unpalatable; his goal horrific. So Marc and his co-conspirators continue their work in secret. Only the very Unity he fears can derail Marc's plans. And only his brother Jack the Bodiless, and the young woman known as Diamond Mask can attempt the impossible: destroy Marc, Unify humanity and allow the golden age of the Galactic Milieu to begin.

Intervention

May, Julian

For 60,000 years, the worlds of the Galactic Milieu have observed Earth, waiting for humanity to evolve sufficiently to join them. Now, humanity is almost ready for Intervention. Across the world, children with unusual mental powers are being born, known as operants. One such is Rogi Remillard, humble book dealer. Helped by an entity he labels the family ghost, Rogi will inadvertently steer his family – and so all mankind – into the future.

Rogi's journey starts with his nephew Denis, as he guides his strong metapsychic abilities. The young man's irresponsible father certainly isn't interested, focusing instead on his volatile son Victor. Yet Victor's own emerging powers make him increasingly dangerous.

Fisher Lass, The

Dickinson, Margaret

Flame-haired Jeannie Buchanan has spent all her life in the shadow of the dark North Sea. Working with freezing fingers to gut the precious herring, she follows the fleet south, travelling far away from her Scottish home.

When her beloved father's trawler goes missing, Jeannie must face up to life on her own. But her fiery temper and fierce independence attract powerful and devious enemies. By standing up to the Hayes-Gorton family, she could be threatening the future of those she cares for most. By denying a man prepared to sacrifice all his privileges for a chance to offer his devotion, she could be facing years of unhappiness.
