**Briar Rose**

Oliver, Jana

For Briar Rose, life is anything but a fairy tale. She's stuck in a small town in deepest Georgia with parents who won't let her out of their sight, a bunch of small-minded, gossiping neighbours and an evil ex who's spreading nasty rumours about what she may or may not have done in the back of his car. She's tired of it all, so when, on her sixteenth birthday, her parents tell her that she is cursed and will go to sleep for a hundred years when the clock strikes midnight, she's actually kind of glad to leave it all behind. She says her goodbyes, lies down, and closes her eyes... And then she wakes up. Cold, alone and in the middle of the darkest, most twisted fairy tale she could ever have dreamed of.
