The Rain
Virginia Bergin

One minute sixteen-year-old Ruby Morris is having her first proper snog with Caspar McCloud in a hot tub, and the next she's being bundled inside the house, dripping wet, cold and in her underwear. Not cool. As she and Caspar shiver in the kitchen, it starts to rain. They turn on the radio to hear panicked voices - 'It's in the rain . . . it's in the rain . . .' That was two weeks ago, and now Ruby is totally alone. People weren't prepared for the rain, got caught out in it, didn't realize that you couldn't drink water from the taps either. Even a drip of rain would infect your blood, and eat you from the inside out. Ruby knows she has to get to London to find her dad, but she just doesn't know where to start . . .

Captain
Sam Angus

"He may be small, but he's got more courage than anyone but that blasted donkey." Told some years later, by the guilt-ridden Jack, a light horseman at Gallipoli in the First World War, this is the story of a little refugee boy affectionately known as Captain, and his donkey, Hey-Ho. At first the small boy and his donkey are mocked by the rest of the cavalry, with their big, powerful horses, but soon they all realize that Captain and Hey-Ho have more spirit and determination than the rest of the troop put together.

They're not helping the cool situation either, until Jelly's mum suggests a birthday party . . .

Ione Skye

Ruth and Sammy look forward to spending time with relatives. As Ruth would say, until they arrive at their grandparent's house, they are on shpiikes (pins and needles)! Lottie Biggs is (Not) Mad: Book 1

Hayley Long

A heart-achingly honest and utterly hilarious voice - about the life of a teenage girl and so much more. Now with a brilliant new cover look. "My name is Lottie Biggs and in three weeks time, I will be fifteen years old. At school, most people call me Lottie Not-Very-Biggs. I've never found this particularly funny . . . My current hair colour is Melody Deep Plum which is not as nice as Melody Forest Flame but definitely better than the dodgy custard colour I tried last week . . ." And this is my book - it's about important things like boys and shoes and polo- neck knickers and rescuing giraffes and NOT fancying Gareth Stingecombe (even though he has manly thighs) and hanging-out with your best friend having A BLATANTLY FUNNY TIME. It is definitely not about sitting in wardrobes or having a mental disturbance of any kind! Painfully honest and laugh-so-hard-you-forget-to-breathe funny.

Lottie Biggs is (Not) Desperate: Book 2

Hayley Long

The fantastically hilarious second book in this series about the life of a teenage girl and so much more. Now with a brilliant new cover look. Lottie Biggs is recovering from her mental disorder of a reasonably significant nature with the help of her counsellor, who rather helpfully looks like Johnny Depp. Things are looking up - her hair is an excellent shade of black, she has a Saturday job in a hairdresser and Gareth Stingecombe and his manly thighs are still the love of her life. When Gareth undoes his trousers to show Lottie a fetching bruise on one of the aforementioned thighs, she comes to the realisation that, unlike everyone else she knows, she is A TOTAL UTTER VIRGIN. But how can she get any sort of experience when her boyfriend is doggedly, stubbornly and infuriatingly determined to preserve his energies for the rugby field? The wit of Louise Rennison with the depth of Jacqueline Wilson.

Lottie Biggs is (Not) Tragic: Book 3

Hayley Long

The final book in Hayley Long's brilliantly honest and incredibly funny series about teenager Lottie Biggs. Now with a fantastic new cover look. Just when things were starting to look up for Lottie her life's gone a bit pear-shaped, wonk-ways and downside up again. Her mum's all sappy over a bloke with a horrible shemo* daughter, her best pal Goose has disappeared in a cloud of nerd-gas and Lottie's in the midst of an existential crisis. There's only one thing to do - get the hell out of Cardiff and go on the road with the gorgeous Gareth Stingecombe (and his manly thighs). But things don't go to plan, and Lottie starts to realise she might have been a bit me me me lately. . . *a female emo, obviously The wit of Louise Rennison with the depth of Jacqueline Wilson.

Jolene's turned flirting into a fine art, but Jody? Not so much. And as if a twinnny love triangle wasn't messy enough . . . there's something nobody knows about Jody Barton. Something BIG. Told with the trademark warmth and laugh-out-loud humour of the much-loved **Lottie Biggs** books, this is a book that will make you think, with a gobsmacking twist you won't believe. Shortlisted for the Costa Prize.
