The Escape: A John Puller Novel 3

David Baldacci

Military CID investigator, John Puller, has returned from his latest case in Florida to learn that his brother, Bobby, on death row at Leavenworth Military Prison for national security crimes, has escaped. Preliminary investigations show that he may have had help in his breakout. Now he's on the run, and in disguise, and he's the military's number one target. John Puller has a dilemma. Which comes first, loyalty to his country or to his brother? Bobby has state secrets that certain people will literally kill for. But blood is thicker than water, and the brothers are close although even John does not know for sure what Bobby really did for the government, nor if he's even guilty of his crimes. It becomes swiftly apparent, however, that Bobby's role was powerful and far-reaching.

The Abyss Beyond Dreams

Peter F. Hamilton

A special, signed, limited slipcase edition of Peter F. Hamilton's new novel. When images of a lost civilization are 'dreamed' by a self-proclaimed prophet of the age, Nigel Sheldon, inventor of wormhole technology and creator of the Commonwealth society, is asked to investigate. Especially as the dreams seem to be coming from the Void - a mysterious area of living space monitored and controlled because of its hugely destructive capabilities. With it being the greatest threat to the known universe, Nigel is committed to finding out what really lies within the Void and if there's any truth to the visions they've received. Does human life really exist inside its boundary?

Endsinger: The Lotus Wars 3

Jay Kristoff

As civil war sweeps across the Shima Imperium, the Lotus Guild unleashes their deadliest creation—a mechanical goliath, intended to unite the shattered Empire under a yoke of fear. Yukiko and Buruu are forced to take leadership of the rebellion, gathering new allies and old friends. But the ghosts of Buruu's past stand between them and the army they need, and Kin's betrayal has destroyed all trust among their allies. When a new foe joins the war, it will be all the pair can do to muster the strength to fight, let alone win. And as the earth splits asunder, as armies destroy each other for rule over an empire of lifeless ash and the final secret about blood lotus is revealed, the people of Shima will learn one last, horrifying truth. An exciting, vivid conclusion to a critically acclaimed series, *Endsinger* is sure to have fans racing through the pages to savor every last revelation.

The Edge of Dark

Pamela Hartshorne

Jane believes in keeping her promises, but a deathbed vow sets her on a twisting path of deceit and joy that takes her from the dark secrets of Holmwood House in York to the sign of the golden lily in London's Mincing Lane. Getting what you want, Jane discovers, comes at a price. For the child that she longed for, the child she promised to love and to keep safe, turns out to be a darker spirit than she could ever have imagined. Over four centuries later, Roz Acclam remembers nothing of the fire that killed her family - or of the brother who set it. Trying on a beautiful Elizabethan necklace found in the newly restored Holmwood House triggers disturbing memories of the past at last - but the past Roz remembers is not her own . . . A dark and twisted tale from Pamela Harshorne, author of *The Memory of Midnight* and *Time's Echo*, and a perfect read for fans of Kate Mosse and Barbara Erskine.

Killing for Keeps

Mari Hannah

IT'S IN THE BLOOD. Two brothers from the same criminal family die within hours of each other, five miles apart, one on the edge of a Newcastle industrial estate, the other in a busy A & E department of a local hospital, unseen by the triage team. Both victims have suffered horrific injuries. Who wanted them dead? Will they kill again? Investigating these brutal and bloody killings leads DCI Kate Daniels to break some rules, putting her career as well as her life on the line. As the body count rises in the worst torture case Northumbria Police has ever seen, the focus of the enquiry switches, first to Glasgow and then to Europe ending in a confrontation with a dangerous offender hell-bent on revenge.

Breathturn into Timestead

Paul Celan

Paul Celan, one of the greatest German-language poets of the twentieth century, created brilliant works of pure musicality and stark imagery in tension with the haunting memories of his life as a Romanian Jew during the Holocaust. *Breathturn into Timestead: The Collected Later Poetry* gathers the five final volumes of his life's work in a bilingual edition, translated and with commentary by the award-winning poet and translator Pierre Joris. This collection displays a mature writer at the height of his talents, following what Celan himself called the "turn" (die "Wende") of his work away from the lush, surreal metaphors of his earlier verse.

Spare Parts

SPARE PARTS

JOSHUA DAVIS

In 2004, four Latino teenagers arrived at the Marine Advanced Technology Education Robotics Competition at the University of California. They were born in Mexico but raised in Phoenix, Arizona, where they attended an underfunded public high school. No one had ever suggested that they might amount to much - but two inspiring science teachers had convinced these impoverished, undocumented kids from the desert who had never even seen the ocean that they should try to build an underwater robot. Their robot wasn't pretty, especially compared to those of the competition. They were going up against some of the best collegiate engineers in the country, including a team from MIT backed by a \$10,000 grant from ExxonMobil. The Phoenix teenagers had scraped together less than \$1,000 and built their robot out of scavenged parts. This was never a level competition - and yet, against all odds . . . they won!

Where Have You Been?

Michael Hofmann

Michael Hofmann - a poet, translator, and intellectual vagabond-has established himself as one of the keenest critics of contemporary literature. Safely nestled between the covers of **Where Have You Been?**, he offers a hand to guide us and an encouraging whisper in our ear, leading us on a trip through what to read, how to think, and why to like. And while these essays bear sharp insights that will help us revisit writers with a fresh eye, they are also a story of love between a reader and his treasured books. In these twenty-five essays, Hofmann brings his signature wit and sustained critical mastery to a poetic, penetrating, and candid discussion of the writers and artists of the last hundred years.

The New Democrats and the Return to Power

Al From

After Barack Obama's solid win in the 2012 election, it's easy to forget that there was a time, not long ago, when the Democrats were shut out of power for over a decade. But Al From remembers. In 1984, he led a small band of governors, US senators, and members of Congress to organize the Democratic Leadership Council (DLC). Their mission: to rescue the party from the political wilderness, redefine its message, and, most importantly, win presidential elections. In April 1989, From traveled to Little Rock, Arkansas, to recruit the state's young governor, Bill Clinton, to be chairman of the DLC. Here, Al From explores the founding philosophy of the New Democrats, which not only achieved stunning validation during Clinton's two terms, but also became the model for resurgent center-left parties in Europe and throughout the democratic world.

Lectures on the Will to Know

Michel Foucault

Lectures on the Will to Know reminds us that Michel Foucault's work only ever had one object: truth. Here, he builds on his earlier work, *Discipline and Punish*, to explore the relationship between tragedy, conflict, and truth-telling. He also explores the different forms of truth-telling, and their relation to power and the law. The publication of **Lectures on the Will to Know** marks a milestone in Foucault's reception, and it will no longer be possible to read him in the same way as before.
