I am red with lots of spots. Who am I? Children will love finding out about animals, where they live, the noises they make and more in this interactive, peekaboo board book. There is a simple text clue to read about each animal, with a picture clue to look at as well, so children can work out who each animal is. They will find out if they are right by pulling back the tabs, and watching as each picture slides and changes to reveal a photograph of an animal underneath.
