Pretending to Dance
Diane Chamberlain

It's the summer of 1990 and fourteen-year-old Molly Arnette lives with her extended family on one hundred acres in the Blue Ridge Mountains. The summer seems idyllic at first. The mountains are Molly's playground and she's well loved by her father, a therapist famous for books he's written about a method called 'Pretend Therapy'; her adoptive mother, who has raised Molly as her own; and Amalia, her birth mother who also lives on the family land. The adults in Molly's life have created a safe and secure world for her to grow up in. But Molly's security begins to crumble as she becomes aware of a plan taking shape in her extended family - a plan she can't stop and that threatens to turn her idyllic summer into a nightmare.

Golden Age
Jane Smiley

1987. A visit from a long-lost relative brings the Langdons together again on the family farm; a place almost unrecognisable from the remote lowland farmland Walter and Rosanna once owned. The family have spread across the US, and whilst some have stayed reliably unchanged, others have evolved with the times. The eldest Langdon, Frank - always cold and distant - finally starts to break down the wall he built between himself and his wife, but can a loving relationship be grasped in their twilight years? Their son, Richie, finally out from under his brother Michael's shadow, finds himself running for congress almost unintentionally, and completely underprepared. And Michael, on the brink of self-destruction, seems to make the biggest change of all, but could it be too good to be true?

Sorcerer to the Crown
Zen Cho

In Regency London, Zacharias Wythe is England's first African Sorcerer Royal. He leads the eminent Royal Society of Unnatural Philosophers, but a malicious faction seeks to remove him by fair means or foul. Meanwhile, the Society is failing its vital duty - to keep stable the levels of magic within His Majesty's lands. The Fairy Court is blocking its supply, straining England's dangerously declining magical stores. And now the government is demanding to use this scarce resource in its war with France. Ambitious orphan Prunella Gentleman is desperate to escape the school where she's drudged all her life, and a visit by the beleaguered Sorcerer Royal seems the perfect opportunity. For Prunella has just stumbled upon English magic's greatest discovery in centuries - and she intends to make the most of it.

Baru Cormorant believes any price is worth paying to liberate her people - even her soul. When the Empire of Masks conquers her island home, criminalizes her customs, and murders one of her fathers, Baru vows to mask her hate, join the Empire's civil service, and claw her way high enough up the rungs of power to put a stop to the Emperor's influence and set her people free - whatever the price. A natural savant she is sent as an Imperial agent to distant Aurdwynn - a post she worries will never get her the position and power she craves. But Baru soon discovers Aurdwynn is a complex and secretive country, seemingly on the brink of rebellion. All it would need is a match to the tinder . . .

Melissa Daley

When two-year-old tabby, Molly, loses her beloved owner, her world falls apart. Rehomed with three cat-hating dogs, she decides to take matters into her own paws and embarks on a gruelling journey to the nearest town. As Molly walks the cobbled streets of Stourton, she begins to lose all hope of finding a home . . . Until one day she is welcomed into the warmth by caring café owner, Debbie. Like Molly, Debbie is also an outsider and, with a daughter to care for, she is desperate to turn around the struggling café. But a local battleaxe is on the warpath and she is determined to keep out newcomers, especially four-legged ones. It looks as if Debbie will have to choose between the café and Molly. Yet maybe the solution to their problems may not be as far away as they think. Will Debbie and Molly be able to turn their fortunes around to launch the Cotswolds' first Cat Café?

The Bonniest Companie

Kathleen Jamie

In her extraordinary new collection, Kathleen Jamie examines her native Scotland - a country at once wild and contained, rural and urban - and her place within it. In the author's own words: "2014 was a year of tremendous energy in my native Scotland, and knowing I wanted to embrace that energy and participate in my own way, I resolved to write a poem a week, and follow the cycle of the year." The poems also venture into childhood and family memory - and look to ahead to the future. The Bonniest Company is visionary response to a year shaped and charged by both local and global forces, and will stand as a remarkable document of our times.

Whitey Bulger is gone from Boston, but Bench McCarthy is here to take his place. Bench McCarthy is a thug's thug, a hitman, an underworld jack-of-all-trades running his own mob out of Winter Hill in Somerville while simultaneously handling "wet work" for Sally Curto, a half-demented, totally obscene mob boss. After years of gangland peace, Bench and Sally suddenly find themselves clay pigeons for unknown hit crews coming at them from every direction. The motives are as murky as the hitmen themselves, but all roads seem to lead back to the State House, where corrupt pols are battling over a bill to legalize billions of dollars' worth of new casinos. In order to stay alive as he puts an end to the uprising, the wisecracking Bench must set aside his objections and enlist the help of Jack Reilly, a dodgy ex-cop turned private investigator. Furiously Happy

Jenny Lawson

"It's the difference between surviving life and living life. It's the difference between taking a shower and teaching your monkey butler how to shampoo your hair." Jenny Lawson - aka The Bloggess - returns with the follow-up to her bestselling memoir *Let's Pretend This Never Happened*, recounting stories from everyday family life in her inimitably frank, hilarious, bizarre and endearing way. She describes her battles with depression and anxiety and her quest to overcome them by saying yes to even the absurdist opportunities and making the good times gloriously good. For as Jenny says: "You can't experience pain without also experiencing the baffling and ridiculous moments of being fiercely, unapologetically, intensely and (above all) furiously happy..." It's a philosophy that has - quite literally - saved her life.

MR SMILEY

HOWARD MARKS

Mr Smiley

Howard Marks

Howard Marks has been diagnosed with terminal cancer. But determined not to go quietly into the night, he has decided that it is time to release Mr Smiley, the story of his last, and arguably his biggest ever, drug scam at the height of the 90s ecstasy frenzy. On his release from prison in 1995, Howard had made a promise that this time he was going to go straight... But some people are just born for the life, and it is not long before Howard finds himself trying ecstasy and rubbing shoulders with some of the king-pins of the pill trade. Incredibly funny, moving and scabrous, *Mr Smiley* is a free-standing follow up to Mr Nice, which follows a journey to the heartland of the clubbing scene and British crime. It is also a fitting last word from one of Britain's best loved bad boys.

The End of the Cold War

Robert Service

The dismantling of the Berlin Wall in 1989 and the spread of Perestroika throughout the former Soviet bloc was a sea change in world history and two years later resulted in the dissolution of the Soviet Union. In *The End of the Cold War*, acclaimed Russian historian Robert Service examines precisely how that change came about. Drawing on a vast and largely untapped range of sources, he builds a picture of the two men who spearheaded the breakthrough: Ronald Reagan, President of the United States, and Mikhail Gorbachev, last General Secretary of the Soviet Union and first and last President of the USSR. He also analyses the role of influential players not only in America and the USSR, but throughout Eastern and Western Europe, and focuses especially on Pope John Paul II, Lech Watesa and Vaclav Havel.

Just William

Richmal Crompton

In Richmal Compton's *Just William* the Outlaws plan a day of non-stop adventure. The only problem is that William is meant to be babysitting. But William won't let that stop him having fun with his gang - he'll just bring the baby along! There is only one William. This tousle-headed, snub-nosed, hearty, loveable imp of mischief has been harassing his unfortunate family and delighting his hundreds of thousands of admirers since 1922. This delightful children's classic features a contemporary cover look illustrated by Chris Riddell, along with the original inside illustrations by Thomas Henry, which will bring the antics of the mischievous William Brown to a new generation of children.

William the Fourth

Richmal Crompton

In Richmal Compton's *William the Fourth* is the fourth classic set of adventures featuring the hero of Just William. Whether he's occupying a bear suit that's slightly too small for him, cloaked in mystery as a fortune teller or attired in the flowing robes of a Fairy Queen, William is unmistakably himself: trouble in human form. Only Great-Aunt Jane manages to take William on at his own game - and win! This collection of fourteen brilliant *Just William* stories features appealing contemporary cover art by Lydia Monks, along with the original inside illustrations by Thomas Henry.
