Vortex

Cross, Julie

More heartstopping action in the breathtaking sequel to 'Tempest'

Jackson Meyer has thrown himself into his role as an agent for Tempest, the shadowy division of the CIA that handles all time-travel-related threats. Despite his heartbreak at losing the love of his life, Jackson has proved himself to be an excellent agent. However, all that changes when Holly — the girl he altered history to save — re-enters his life. And when Eyewall, an opposing division of the CIA, emerges, Jackson and his fellow agents find themselves under attack and on the run.

Jackson must decide between saving the love of his life and the entire world . . .

Matilda's Cat

Gravett, Emily

Matilda's cat must like something! But what?

Climbing trees, playing with wool . . . Matilda is sure her cat will love these things, but he doesn't seem very enthusiastic. Undaunted, she thinks up new ways to amuse her reluctant playmate. Tea parties? Dressing up? Or what about a nice bike ride? As the beleaguered cat goes from nonplussed to terrified, Matilda gets more and more frustrated. After all, what use is a pet if it doesn't want to play?

An insightful, fond and funny look at the relationship between a little girl and her cat, this is sure to strike a chord with anyone who's ever been a devoted pet owner.

Last Wild, The

Torday, Piers

In a world where animals no longer exist, twelve-year-old Kester Jaynes sometimes feels like he hardly exists either. Locked away in a home for troubled children, he's told there's something wrong with him. So when he meets a flock of talking pigeons and a bossy cockroach, Kester thinks he's finally gone a bit mad. But the animals have something to say . . .

The pigeons fly Kester to a wild place where the last creatures in the land have survived. A wise stag needs Kester's help, and together they must embark on a great journey, joined along the way by an over-enthusiastic wolf-cub, a spoilt show-cat, a dancing harvest mouse and a stubborn girl named Polly. The animals saved Kester Jaynes. But can Kester save the animals?

My Super Sister and the Birthday Party

Rees, Gwyneth

Saffie isn't your average naughty little sister - she's got superpowers! The second book in this magical new series from bestselling author Gwyneth Rees

Emma and Saffie are going to stay with their grandparents for the summer to learn how to use their superpowers. Grandma has powers too, but Grandpa doesn't, and he definitely doesn't like the gnomes doing the gardening, or the washing-up doing itself - he'd rather play with his model aeroplanes. As the summer passes, the girls are having lots of fun - Emma brings a whole doll's house to life (and even learns to bake tiny cakes in the kitchen), but all Saffie wants is to cheer up Grandpa - so she decides to throw him the best party ever. Let's Talk About: My New Baby

Gurney, Stella and Freund, Fiona

"Let's Talk About . . ." is a new series of first experience photographic books aimed at toddlers to pre-schoolers and their parents. Informative and humorous, the series marks a departure from existing books of this kind by reflecting young children's and their parents' actual experiences: think real environments and real situations with an authentic toddler's voice, accompanied by useful and sometimes wry information and advice for parents and children. In 'My New Baby' we meet Jack. He's 2, and soon he'll be having a new baby brother or sister. While Jack narrates what is going on around him, simple, funny cartoons show his perceptions of how his mummy will 'have' the baby; how he will share his mummy with the baby; his real feelings about the baby when it finally arrives and much more.

Living with a Willy

Fisher, Nick

The essential guide to being a boy - revised and updated!

'Living with a Willy' is about what it's really like to be a willy owner. It's about your body and what happens to it. Real things, stuff like what it feels like to stand in the shower next to someone who's only two weeks older than you, but seems to be in possession of a member several sizes bigger. This book isn't going to teach you a lot of long Latin words ending in m, but it might just help you understand what it really means to own a daft tuft of flesh shaped like a chipolata.

Includes 48 copies of ISBN 9781742612096 Once Upon a Slime

The Author

Andy Griffiths and Terry Denton are a creative partnership that began with 'Just Tricking!' in 1997 and now extends to seven "Just" books and more than a million copies sold, the award-winning 'The Bad Book', the off-the-wall success of 'The Cat on the Mat is Flat', the bestselling 'The Very Bad Book' and, of course, 'The 13-storey Treehouse' and 'The 26-storey Treehouse', both of which are storming through the bestseller charts. They are now published all over the world including the US where Andy's BUM books have made the "New York Times" bestseller lists.
