Hocking, Amanda

Now that Gemma holds the key to breaking the siren curse, the stakes have never been higher. At last, a future with those she loves - and a romance with Alex - is close enough to touch... but not if Penn has anything to say about it. Penn is more determined than ever to have Daniel for her own and to destroy Gemma and Harper along the way, and Penn always gets what she wants. Now a final explosive battle is about to begin, and the winner will take everything Gemma holds dear.

Debutantes: In Love

Harrison, Cora

It's 1924. Leaving their beloved Beech Grove Manor to go to London for the season, Poppy and Daisy Derrington know that they must shine as debutantes. As the search continues for a male heir to inherit their magnificent crumbling house, the sisters have to marry well or face being left penniless. But it's not money or marriage that interests them - it's music, cinema, literature, fashion, parties, love - everything that is shiny and new.

Mortal Instruments Companion, The

Gresh, Lois H.

'The Mortal Instruments Companion' takes fans deeper into the world of the Shadowhunters created by Cassandra Clare - a gritty urban fantasy world full of demon hunters into which Clary Fray, previously unaware of the magical world, is suddenly and inexplicably pulled. Includes fascinating background facts about the action in all five books, a revealing biography of the author, and amazing insights into the major themes of the series. This book is not authorized by Cassandra Clare or anyone involved in the 'City of Bones' movie.

Little Mouse's Big Book of Beasts

Gravett, Emily

Little Mouse is back - with a whole host of terrifying beasts! Little Mouse has found a new book, and this time it's full of scary creatures. Undaunted, he bravely sets about removing or altering all the scariest bits: cosy mittens to cover the lion's claws, ruby lips to replace the shark's teeth - and he even pole vaults out of the way of the bear! Full of flaps, jokes and Emily Gravett's trademark wit, with a brilliantly satisfying ending, this is a worthy successor to 'Little Mouse's Big Book of Fears'.
