Hotel Alpha
Mark Watson

Three decades ago, the charismatic Howard York built the empire of his dreams: the Hotel Alpha. It was once the finest in London, but over the years, as the world around it has moved on at an ever more dizzying rate, the hotel has struggled to keep pace. Graham, the Alpha's concierge, has been behind the front desk since the day the hotel opened and has witnessed every stage of its history. Chaz, Howard's blind adopted son, has almost never ventured outside its walls. Both of them view the Alpha as their sanctuary, the place that gives them everything they need. But both of them must now accept that the Alpha no longer offers them the life they most want, and that Howard's vision has been built on secrets as well as dreams . . .

The Ploughmen
Kim Zupan

The story of two men - a killer awaiting trial, and a troubled young deputy - sitting across from each other in the dark, talking through the bars of a county jail cell. John Gload, so brutally adept at his craft that only now, at the age of 71, has he faced the prospect of long-term incarceration; and Valentine Millimaki, low man in the Copper County sheriff's department, who draws the overnight shift after Gload's arrest, tasked with getting the killer to talk about a string of unsolved murders. With a disintegrating marriage now further collapsing under the strain of his night duty, and his safety threatened from within his own department, Millimaki finds himself seeking counsel from a remorseless criminal.

The Godless
Ben Peek

Fifteen thousand years after the War of the Gods and their corpses now lie scattered across the world, slowly dying as men and women awake with strange powers that are derived from their bodies. While some see these powers as a gift - most call them a curse. When Ayae, a young cartographer's apprentice in the city of Mireea, is trapped in a burning building she is terrified as this dormant power comes to life within her. The flames destroy everything around her but she remains unscathed - fire cannot touch her. This curse makes her a target for the army marching on her home - an army determined to reclaim the corpse of the God Ger, who lies dying beneath the city, and harness his power for themselves.

The Night the Rich Men Burned
Malcolm Mackay

Two friends, Alex Glass and Oliver Peterkinney, look for work and for escape from their lives spent growing up in Glasgow's most desperate fringes. Soon they will become involved in one of the city's darkest and most dangerous trades. But while one rises quickly up the ranks, the other will fall prey to the industry's addictive lifestyle and ever-spiralling debts. Meanwhile, the three most powerful rivals in the business - Marty Jones, ruthless pimp; Potty Cruickshank, member of the old guard; and Billy Patterson, brutal newcomer - vie for prominence. And now Peterkinney, young and darkly ambitious, is beginning to make himself known . . . Before long, violence will spill out onto the streets, as those at the top make deadly attempts to out-manoeuvre one another for a bigger share of the spoils.

You're a Big Girl Now

Neil Gordon

Isabel Montgomery had an unusual upbringing. It started conventionally enough: she was the daughter of an actress and a lawyer, living in small-town America. But this was all shattered when, as a seven-year-old, she was abandoned by her father in a New York hotel room and everything she knew fell apart. Her father, it turned out, wasn't the man he said he was, but was actually one of America's most wanted fugitives, owing to his involvement in a notorious bank robbery. *You're A Big Girl Now* picks up the story some years later. Isabel is now a 27 year-old tech-savvy, freelance investigative journalist, one of the USA's best, despite some self-medication problems. She decides to turn her skills on her own family in the hope of finally understanding the truth about her grandfather, her father and everything that's happened to her.

A Paris Apartment

Michelle Gable

Bienvenue à Paris! When April Vogt's boss tells her about an apartment in the ninth arrondissement that has been discovered after being shuttered for the past seventy years, the Sotheby's continental furniture specialist does not hear the words "dust" or "rats" or "decrepit." She hears Paris. She hears escape. Once in France, April quickly learns the apartment is not merely some rich hoarder's repository. Beneath the cobwebs and stale perfumed air is a goldmine, and not because of the actual gold (or painted ostrich eggs or mounted rhinoceros horns or bronze bathtub). First, there's a portrait by one of the masters of the Belle Epoque, Giovanni Boldini. And then there are letters and journals written by the very woman in the painting, Marthe de Florian.

Our Lady of the Streets: The Skyscraper Throne 3

Tom Pollock

Ever since Beth Bradley found her way into a hidden London, the presence of its ruthless goddess, Mater Viae, has lurked in the background. Now Mater Viae has returned with deadly consequences. Streets are wracked by convulsions as muscles of wire and pipe go into spasm, bunching the city into a crippled new geography; pavements flare to thousand-degree fevers, incinerating pedestrians; and towers fall, their foundations decayed. As the city sickens, so does Beth - her essence now part of this secret London. But when it is revealed that Mater Viae's plans for dominion stretch far beyond the borders of the city, Beth must make a choice: flee, or sacrifice her city in order to save it.

Mimi Malloy At Last

Julia MacDonnell

Meet Mimi Malloy: A daughter of the Great Depression, Mimi was born into an Irish-Catholic brood of seven, and she has done her best to raise six beautiful daughters of her own. Now they're grown, and Mimi, a divorcée, is unexpectedly retired. But she takes solace in the comforts of her new life: her apartment in the heart of Quincy, the occasional True Blue cigarette, and evenings with Frank Sinatra on the stereo and a highball in her hand. Yet her phone is arguably the busiest in greater Boston - it rings "Day In, Day Out," as Ol' Blue Eyes would say. Her surviving sisters love to gab about their girlhood, while her eldest daughter, Cassandra, calls every morning to preach the gospel of assisted living.

Notes from the Internet Apocalypse

Wayne Gladstone

When the Internet suddenly stops working, society reels from the loss of flowing data and streaming entertainment. Addicts wander the streets talking to themselves in 140 characters or forcing cats to perform tricks for their amusement, while the truly desperate pin their requests for casual encounters on public bulletin boards. The economy tumbles and the government passes the draconian NET Recovery Act. For Gladstone, the Net's disappearance comes particularly hard, following the loss of his wife, leaving his flask of Jamesons and grandfather's fedora as the only comforts in his Brooklyn apartment. But there are rumors that someone in New York is still online. Someone set apart from this new world where Facebook flirts "poke" each other in real life and members of Anonymous trade memes at secret parties.

Keane's Challenge

Iain Gale

The Iberian Peninsula, 1809. French troops led by one of Napoleon's best generals are massing on the border. Wellington's outnumbered force and his unreliable Spanish allies need to pick off the smaller French units if they are to stand their ground. For that they need information: accurate intelligence on numbers, arms and whereabouts. That's where Captain Keane and his company of reformed scouting officers are invaluable tools - despite being unpopular with the regular soldiers. But it soon becomes apparent that someone high up in Wellington's headquarters is a spy for the French. Only someone able to travel widely outside the camp, someone privy to battle plans, could be the double agent - and Keane's enemies within the army are quick to point the finger.

Jeremy Robinson

Freeman is a genius with an uncommon mixture of memory, intelligence and creativity. He lives in a worldwide utopia, but it was not always so. There was a time known as the Grind - when Freeman's people lived as slaves to another race referred to simply as "Master." They were property. But a civil rights movement emerged. Change seemed near, but the Masters refused to bend. Instead, they declared war. And lost. Now, the freed world is threatened by a virus, spread through bites, sweeping through the population. Those infected are propelled to violence, driven to disperse the virus. Uniquely suited to respond to this new threat, Freeman searches for a cure, but instead finds the source - the Masters, intent on reclaiming the world.

Something to Remember You By

Gene Wilder

Something to Remember You By begins during the siege of Bastogne, Belgium on Christmas Day, 1944. In a foxhole where he is caring for five American soldiers, innocent but clever young medic Corporal Tom Cole is injured. Convalescing in wartime London, with its dimly lit blackout-compliant restaurants and mad dashes to the Tube station at the sound of the air raid sirens, Cole falls in love for the first time. But is the mysterious Danish girl he meets at the Shepherdess Café on the up and up? Cole is a cellist back home in the States, and Anna says she's a monitor at the War Office, scanning radio waves for incoming German planes. But is she? When Cole goes to the War Office one day to surprise his new lover, she's nowhere to be found.

Someday We'll Tell Each Other Everything

Daniela Krien

It is summer 1990, only months after the border dividing Germany has dissolved. Maria, nearly seventeen, moves in with her boyfriend on his family farm. A chance encounter with enigmatic loner Henner, a neighbouring farmer, quickly develops into a passionate relationship. But Maria soon finds that Henner can be as brutal as he is tender - his love reveals itself through both animal violence and unexpected sensitivity. Maria builds a fantasy of their future life together, but her expectations differ dramatically from those of Henner himself, until it seems their story can only end in tragedy. *Someday We'll Tell Each Other Everything* is a bold and impressive debut in which love and violence, conflict and longing, are inextricably entwined.

The Soil Will Save Us

Kristin Ohlson

Thousands of years of poor farming and ranching practices-and, especially, modern industrial agriculture - have led to the loss of up to 80 percent of carbon from the world's soils. That carbon is now floating in the atmosphere, and even if we stopped using fossil fuels today, it would continue warming the planet. In *The Soil Will Save Us*, journalist and bestselling author Kristin Ohlson makes an elegantly argued, passionate case for "our great green hope" - a way in which we can not only heal the land but also turn atmospheric carbon into beneficial soil carbon - and potentially reverse global warming. As the granddaughter of farmers and the daughter of avid gardeners, Ohlson has long had an appreciation for the soil.

Creation Stories

Alan McGee

Alan McGee's role in shaping British culture over the past thirty years is hard to overstate. As the founder of Creation Records he brought us the music that defined an era. A charismatic Glaswegian who partied just as hard as any of the bands on his notoriously dissolute label, he became a star himself. In *Creation Stories* he tells his story in depth for the first time, from leaving school at sixteen to setting up the Living Room club in London, which showcased many emerging indie bands, from managing the Jesus and Mary Chain to co-founding Creation when he was only twenty-three. He then discovered dance and acid house, decamping to Manchester and hanging out at the Hacienda, and took Creation into the big time with Primal Scream's *Screamadelica*.

Hatchet Job

Mark Kermode

Starting with the celebrated TV fight between Ken Russell and Alexander Walker (the former hit the latter with a rolled up copy of his *Evening Standard* review!) and ending with his own admission to Steven Spielberg of a major error of judgement, Mark Kermode takes us on a journey across the modern cinematic landscape. Mark questions the future of any and all genuinely impartial criticism when reviews are systemically corrupted by bribery, vote-rigging, cyber-stalking, and sock-puppetry. And he asks that crucial question, what kind of films would we have if we listened to what the audience thinks it wants? Like its predecessor, *The Good, The Bad & The Multiplex*, *Hatchet Job* blends historical analysis with trenchant opinion, bitter personal prejudices, autobiographical diversions and anecdotes, and laugh-out-loud cynical humour. It's the perfect book for anyone who's ever expressed an opinion about a movie.
