Alice's Adventures in Wonderland: Macmillan Classics Edition
Lewis Carroll

A timeless heroine, Alice is quick-witted, determined and resourceful. In her extraordinary adventures she meets a series of unforgettable characters, from the bossy White Rabbit to the grinning Cheshire-Cat and the Mad Hatter, all of whom are as famous as Alice herself. Gloriously illustrated with the original line drawings by John Tenniel and with colour plates and a foreword by Hilary McKay, this beautiful hardback edition of Lewis Carroll's *Alice's Adventures in Wonderland*, which was first published by Macmillan in 1865, is a truly special gift to treasure.

Through the Looking-Glass: Macmillan Classics Edition
Lewis Carroll

Alice's second adventure takes her through the looking-glass to a place even curiously than Wonderland. She finds herself caught up in the great looking-glass chess game and sets off to become a queen. It isn't as easy as she expects: at every step she is hindered by nonsense characters who crop up and insist on reciting poems. Some of these poems, such as 'The Walrus and the Carpenter' and 'Jabberwocky', are as famous as the Alice stories themselves. Gloriously illustrated with the original line drawings by John Tenniel, colour plates and a foreword by Philip Ardagh, this beautiful hardback edition of Lewis Carroll's *Through the Looking-Glass*, which was first published by Macmillan in 1871, is a truly special gift to treasure.

Gravity
Melissa West

In the future, only one rule will matter: Don't. Ever. Peek. Seventeen-year-old Ari Alexander just broke that rule and saw the last person she expected hovering above her bed - arrogant Jackson Locke, the most popular boy in her school. She expects instant execution or some kind of freak alien punishment, but instead, Jackson issues a challenge: help him, or everyone on Earth will die. Ari knows she should report him, but everything about Jackson makes her question what she's been taught about his kind. And against her instincts, she's falling for him. But Ari isn't just any girl, and Jackson wants more than her attention. She's a military legacy who's been trained by her father and exposed to war strategies and societal information no one can know - especially an alien spy, like Jackson. Giving Jackson the information he needs will betray her father and her country, but keeping silent will start a war.

Hover
Melissa West

On Earth, seventeen-year-old Ari Alexander was taught to never peek, but if she hopes to survive life on her new planet, Loge, her eyes must never shut. Because in this world, pleasure is everything, held up by a ruling body that keeps their people in check by giving them what they want and closing their eyes to what's really happening around them. The only hope Loge has is to move its people to Earth, and they have a plan. Thousands of humans crossed over to Loge after a poisonous neurotoxin released into Earth's atmosphere, nearly killing them. They sought refuge in hopes of finding a new life, but what they became were slaves, built to siege war against their home planet. That is, unless Ari and Jackson can stop them. But on Loge, nothing is as it seems... and no one can be trusted.

Melissa West

Ari Alexander is now back on Earth, and the world she left behind has been turned upside down. A new leader has risen to power, her friends have become her enemies, and Jackson is thought to be trapped on Loge with her archrival, Zeus. Now Ari must determine who is the true enemy before Zeus attacks and Earth is forced into a battle of the dominant species. Will Ari and Jackson's love give them the strength to survive the greatest war in human history?

Earth has been conquered by an alien race known as the Assembly. The human adult population is gone, having succumbed to the Tone - a powerful, telepathic super-signal broadcast across the planet that reduces them to a state of complete subservience. But the Tone has one critical flaw. It only affects the population once they reach their early twenties, which means that there is one group left to resist: Children. Holt Hawkins is a bounty hunter, and his current target is Mira Toombs, an infamous treasure seeker with a price on her head. It's not long before Holt bags his prey, but their instant connection isn't something he bargained for. Neither is the Assembly ship that crash-lands near them shortly after. Venturing inside, Holt finds a young girl who remembers nothing except her name: Zoey.

My Louisiana Sky

Kimberly Willis Holt

After Granny dies, Tiger Ann Parker wants nothing more than to get out of the rural town of Saitter, Louisiana - far away from her mentally disabled mother, her "slow" father who can't read a phone bill, and the classmates who taunt her. So when Aunt Dorie Kay asks Tiger to live with her in Baton Rouge, Tiger can't wait to go. But before she is able to leave, the sudden revelation of a dark family secret prompts Tiger to make a decision that will ultimately change her life. Set in the South in the late 1950's, this tender coming-of-age novel explores a twelve-year old girl's struggle to accept her grandmother's death, her mentally deficient parents, and the changing world around her. It is a story filled with beautiful language, unforgettable characters, and the importance of family and home.

Toddlers and preschoolers can learn all about the farm with this early learning box set. Each set contains a 16-page photographic board book, and a giant 20-piece jigsaw puzzle, all packaged in a neat storage box with a carry handle. Jigsaw puzzles help children to develop problem-solving skills, spatial awareness and hand-eye coordination, while the board books introduce key concepts, encourage word-picture association and build vocabulary.
