Frostfire: Kanin Chronicles 1*

Amanda Hocking

This is the stunning first installment in a tale of love, betrayal and the need to belong. Here Amanda Hocking returns to the world of her million-copy bestselling **Trylle** trilogy, with an all-new series... Will she give up her dream to follow her heart? Bryn Aven is determined to gain status amongst the Kanin, the most powerful of the hidden tribes. But as a half-blood, winning respect is a huge challenge. Bryn's almost-human community distrusts people, and those from other tribes are almost as suspect. She has just one goal to get ahead: to join the elite guard protecting the Kanin royal family. And Bryn's vowed that nothing will stand in her way, not even a forbidden romance with her boss, Ridley Dresden. But her plans are put on hold when fallen hero Konstantin starts acting dangerously. Bryn loved him once, but now he's kidnapping Kanin children - stealing them from hidden placements within human families. She's sent to help stop him, but will she lose her heart in the process?

The Life of Anne Frank
Anne Frank House

Will I ever be able to write something great, will I ever become a journalist or a writer? I hope so, oh, I hope so very much, because writing allows me to record everything, all my thoughts, ideals and fantasies.' This is what Anne Frank confided in her diary on 5 April 1944. Her wish did come true, but she herself was never to know that. Anne died in March 1945 in Bergen-Belsen concentration camp. She was fifteen years old. This book tells the story of her life and shows it in the context of world events and World War Two. It answers the many questions that people ask. Where did Anne Frank come from? Why did she have to go into hiding? What did she write in her diary? How was she betrayed? What happened to her after she was arrested? How did her diary survive? It is illustrated with dozens of photographs of Anne, her family and friends.
