The Rithmatist
Brandon Sanderson

Young student Joel is fascinated by the magic of Rithmatics, but few have the gift and he is not one of them. Undaunted, Joel persuades Professor Fitch to teach him about this geometric magic. For although Joel can't infuse his protective lines and circles with power, or bring his chalk-drawn creatures to life, he can really understand how it works. However, a daunting test lies ahead, when someone starts kidnapping top Rithmatic students at his school, Armedius Academy. Since he's not a magic user, Joel appears to be safe and he's desperate to investigate and prove himself. Then people start dying - but can Joel really stop a killer alone? He'll need the help of Rithmatist apprentice Melody, as even more students disappear. Together, they must race to find clues before the killer notices them - and takes them out too.

The Boy Next Door
Katie Van Ark

In this intensely romantic novel from Swoon Reads, Maddy falls in love with her skating partner - who is also the boy next door. Maddy Spier has been in love with the boy next door forever. As his figure skating partner she spends time in his arms every day. But she's also seen his arms around other girls - lots of other girls. Gabe can't imagine skating with anyone but Maddy, and together they have a real chance at winning some serious gold medals. So, he's determined to keep thinking of her like a sister. After all, he's never had a romantic relationship that lasted for more than two weeks. But when their coach assigns a new romantic skating program, everything changes. Will this be the big break that Maddy's been hoping for or the big breakup that Gabe has always feared?

Alice's Adventures in Wonderland
Lewis Carroll

Lewis Carroll's *Alice* has been enchanting children for 150 years. Curious Alice, the bossy White Rabbit, the formidable Queen of Hearts and the Mad Hatter are among the best-loved, most iconic literary creations of all time. Macmillan was the original publisher of *Alice* in 1865 and is proud to remain true to the vision of its creators. Every bit as iconic are Sir John Tenniel's remarkable illustrations, perfectly capturing the combination of the ordinary and the extraordinary at the heart of Wonderland.

Macmillan Children's Books • PB • Classic fiction (Children's / Teenage)

Through the Looking-Glass
Lewis Carroll

Alice's second adventure takes her through the looking-glass to a place even curiously than Wonderland. She finds herself caught up in the great looking-glass chess game and sets off to become a queen. It isn't as easy as she expects: at every step she is hindered by nonsense characters who crop up and insist on reciting poems. Some of these poems, such as 'The Walrus and The Carpenter' and 'Jabberwocky', are as famous as the *Alice* stories themselves. Macmillan was the original publisher of *Alice* in 1865 and is proud to remain true to the vision of its creators. Every bit as iconic are Sir John Tenniel's remarkable illustrations, perfectly capturing the combination of the ordinary and the extraordinary at the heart of Wonderland.

Alice's Adventures in Wonderland: The Little Folks' Edition

Lewis Carroll

First published by Macmillan in 1907, this charming miniature edition of Carroll's classic tale is specially abridged for younger readers, a sixth of the length of the original 1865 edition. It features 32 brightly coloured illustrations by Sir John Tenniel, uniquely featuring Alice in a red dress. Faithfully reproduced from a rare archive copy, this unique little book retains all the charm of the historic original. With luxurious red Wibalin binding and gold sprayed edges, it is the perfect celebration of *Alice's* special anniversary, and a wonderful gift for fans of every age.

The Nursery Alice

Lewis Carroll

The Nursery Alice, originally published by Macmillan & Co. in 1890, was the very first colour edition of *Alice*. It was intended, wrote Carroll, "to be read by Children aged from Nought to Five. To be read? Nay, not so! Say rather to be thumbed, to be cooed over, to be dogs-eared, to be rumpled, to be kissed . . ." With this new, younger readership in mind, Carroll rewrote *Alice*, simplifying and abridging the original text, while Tenniel redrew, enlarged and coloured twenty of his iconic illustrations. The resulting book is a delightfully engaging experience, readers prompted to interact not only with the story but also with the images and even the physical book itself, in a way that is thoroughly modern.

Emerald Green

Kerstin Gier

Gwen has a destiny to fulfill, but no one will tell her what it is. She's only recently learned that she is the Ruby, the final member of the time-traveling Circle of Twelve, and since then nothing has been going right. She suspects the founder of the Circle, Count Saint-Germain, is up to something nefarious, but nobody will believe her. And she's just learned that her charming time-traveling partner, Gideon, has probably been using her all along. This stunning conclusion picks up where *Sapphire Blue* left off, reaching new heights of intrigue and romance as Gwen finally uncovers the secrets of the time-traveling society and learns her fate.

Three
Kristen Simmons

Ember Miller and Chase Jennings are ready to stop running. After weeks spent in hiding as two of the Bureau of Reformation's most wanted criminals, they have finally arrived at the safe house, where they hope to live a safe and quiet existence. And all that's left is a smoking ruin. Devastated by the demolition of their last hope, Ember and Chase follow tracks leading away from the wreckage - the only sign that there may have been survivors. With their high profile, they know they can't stay out in the open for long. They take shelter in the wilderness and amidst the ruins of abandoned cities as they follow the tracks down the coast, eventually finding refugees from the destroyed safe house. Among them is someone from Chase's past - someone he never thought he'd see again.

The Legends of Moonie Jarl
Moonie Jarl (Wilf Reeves)

The book tells the stories of the Butchulla people, the Indigenous people of Fraser Island and the Fraser Coast, Queensland. Published in 1964, it was the first Aboriginal children's book to be published and was written and designed by Butchulla siblings Moonie Jarl (Wilf Reeves) and Wandi (Olga Miller), both of whom have since passed away. The Legends of Moonie Jarl gives a deeper understanding and appreciation of Butchulla culture among the broader community, and contributes to community pride locally.
